Verse 2:

I keep searching deep within my soul
For all the answers, don't wanna hurt no more.
I need peace, got to feel at ease, need to be
Free from pain, go insane, my heart aches.

Sometimes vocabulary runs through my head
The alphabet runs right from A to Z
Conversations, hesitations in my mind.
You got my conscience asking questions that I can't find
I'm not crazy
I'm sure I ain't done nothing wrong
Now I'm just waiting
'Cause I heard that this feeling won't last that long.
